Gifted Acorns · Grade 1 Math · Lesson 12: All the Ways to Make 5

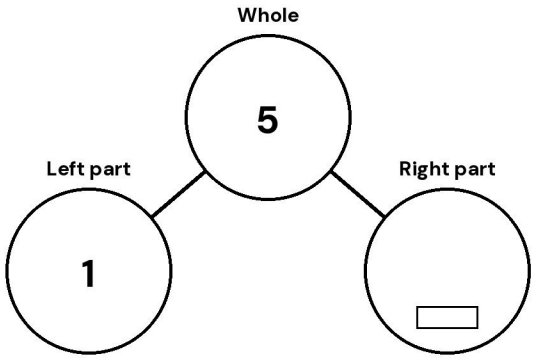

Name: _____ **Date:** _____

Whole: all five. Keep Left and Right in the same places.

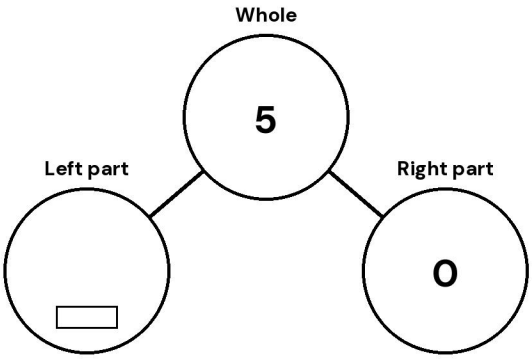

1. Write both part numbers.

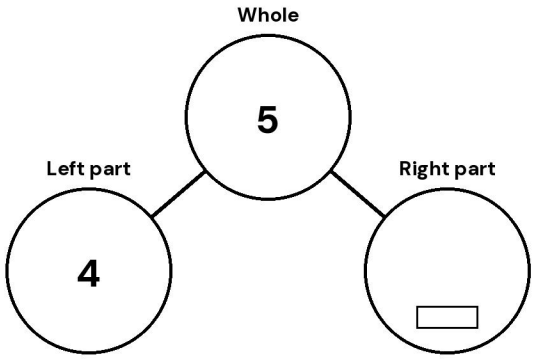

2. Draw and write the right part.

3. Right is zero. Fill the left part.

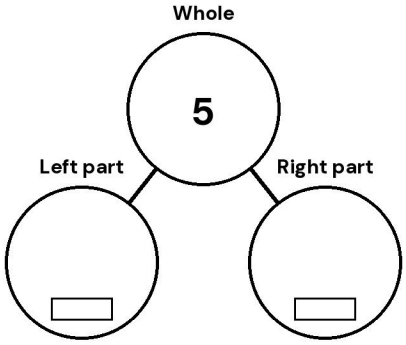

4. Draw and write the right part.

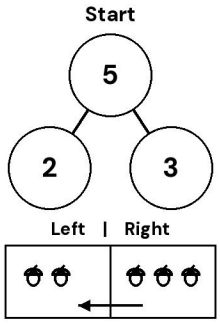

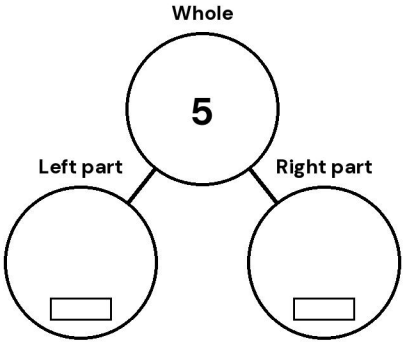

5. Fill the row and the bond.

Left	Right
0	5
1	4
3	2
4	1
5	0

6. Move one from right to left.

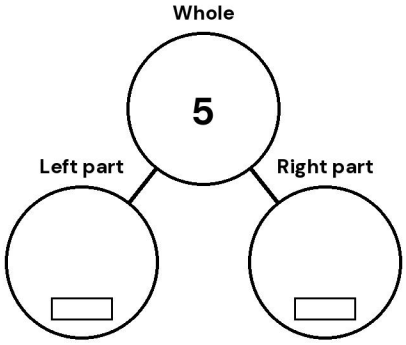

7. Choose a pair. Fill the bond.

Left / Right

1 / 3

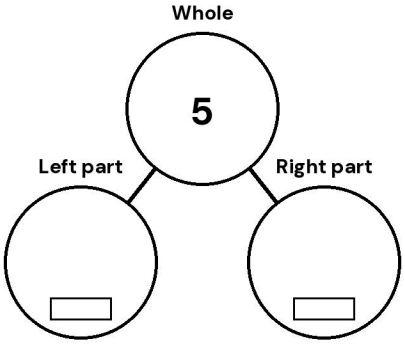

0 / 5

3 / 3

8. Fill the last row and the bond.

Left	Right
0	5
1	4
2	3
3	2
4	1

How do you know none are missing?
